

It's All About "Community" Story on page 2

Judy DeLonge, president of PL Women's Club, presents a generous check to Adole Hoff, coordinator of "Day of Caring. Many other community groups did likewise.

Ronda Owens took the first monthly turn as toast-mistress at the October 3rd Pancake Breakfast. Lots of good information and humor lightened up the morning.

Maura Alexander's FMO Gator mailbox (ICK) migrated to the ballroom to ask/remind residents to join FMO (see articles on page 13.) Pat Rotthoff looks on.

Lew & Peg Ackley face the camera at the October 10th Coffee Social. They are regular valuable contributors to *Whispering Pines*. Their friends at the table would surely agree.

It's All About "Community"

By Howard Harrison

If you looked around this October, you surely were impressed with the vitality of Pine Lakes as we usher in the new fall/winter season. Check the pictures in this edition of our first ballroom activities and you will see the Women's Club leading support for Day of Caring. Our FMO representative is pictured with her "alligator mail box" reminding us that we are a part of a statewide organization dedicated to our interests as homeowners (FMO).

The Ackleys are there as they continue to enhance our community in many waysWake Up America, *Whispering Pines*, photography at shows.... and more. They represent many of us like Ronda Owens who was the toastmistress of the October coffee socials introducing a dozen other residents who presented social and service opportunities enhancing all of our lives.

Looking forward into November, December and beyond, the pace of "Pine Lakes the Community" will continue and quicken. We will meet new and old friends and do good work on everyone's behalf.

Liaison Meeting

By Judy Hale, President, HOA II

The October Liaison meeting was held October 8th in the living room. First on the agenda was the residents' dissatisfaction with Ameripride. ELS has implemented a new system whereby they will inspect each section of the community after Ameripride has finished with that area. Residents are encouraged to call the desk with complaints at the time the work is being done or within 24 hours of Ameripride leaving your neighborhood.

We are looking at the street signs that are very difficult to read due to cracking. ELS is getting estimates for re lettering; money will be included in 2016 budget.

ELS has still not received a legal opinion about HB 71. This bill says that service animals must be certified to do a particular service. Companion animals are not service animals.

Residents are reminded that Pine Lakes is under the protection of the Lee County Sheriff; ELS does not have a security force.

The unsightly plumbing pit next to the dining room door of The Pub was discussed. ELS agrees it looks bad and will work to improve.

ELS is interviewing for a new Pub manager. (Since the meeting Petra Dietrich was hired and will start when her background check is completed). The new roof for The Pub is in the final approval stages.

The carpeting in the ballroom satellite rooms should be replaced by the end of October.

The storage room in back of the stage has been cleaned. We really can't put any more equipment in this area. It is filled to overflowing.

The pool deck is to be repaired in October. At the time I am writing this, the pool is scheduled to be closed October 26-28.

Bridge repair is waiting on a permit. Due to the cost of the permit, only one bridge will be repaired this year. The bridge from the clubhouse area to Eagle Trace and hole #10 of the golf course will be closed for about three weeks after the work begins.

Golf club membership fees have been equalized with the membership fees for Lake Fairways.

Residents are encouraged to discuss items they wish to be on the agenda for the liaison meetings with their respective board members.

Amenities

By Judy Hale

Here at Pine Lakes we have two types of amenities, those that are included in our lot rent and maintenance and amenities fees and those that are paid amenities. Included in our lot rent are such things as use of the clubhouse, the pool, tennis, horseshoes, bocce, shuffleboard, etc. Paid amenities are golf course and cart path, driving range, boat and RV storage, The Pub, and the Pro Shop.

The Pine Lakes Prospectus, Section IX, A-2 is entitled Cart Trail Fee. A cart trail fee is charged for a Tenant's use of the Tenant's own golf cart on the golf course. Yes, the cart path is part of the golf course.

Also, the Pine Lakes Prospectus, Exhibit C, Section XVII-2 is entitled Cart Trail Fee. A cart trail fee is charged for use of the Tenant's own golf cart. Only those Tenants holding golf memberships will be entitled to use their own golf carts on the golf course.

Riding or walking on the cart paths is dangerous. Golfers like to think they know where their ball is going, but it can hit a tree or a drop zone sign, and no one knows where the ball will land.

So unless you are a golfer, please stay off the cart paths. Not only are you doing something dangerous, you are stealing from your neighbors who pay to use their cart on the cart paths.

PLEHOA Homeowners' Meeting October 14, 2015 Minutes

Respectfully submitted by Peter Talty, Secretary

The regular monthly meeting of the Pine Lakes Estate Homeowners' Association was held on this date. President Charlie Matthews called the meeting to order at 7:00 PM. Also in attendance were Vice President Pete Williams, Secretary Peter Talty, ARC Chair Bo Kromas, and Treasurer Dick Loubier. There were also 22 homeowners in attendance plus two guests from PLHOA II.

President Matthews opened the meeting and welcomed all those in attendance. There were no new homeowners present.

The Secretary's report was read and being no corrections, a motion was made and seconded to accept the report.

The Treasurer's report was read and being no corrections, a motion was made and seconded to accept the report. A full report is posted in the Clubhouse in the designated area across from the Exercise Room.

ARC Report: There were no items requiring ARC approval since the previous meeting.

OLD BUSINESS:

Lawn Mowing Issues:

A letter from a very dissatisfied homeowner was read that detailed how poorly her lawn is being maintained; the unfairness that in spite of our monthly fees we still have shoddy work by Ameripride; and that she is not in the best of health. President Matthews reported that ELS management is well aware of the problems with Ameripride, and a number of measures are being instituted:

1. Julie Flake and Andre (the Ameripride supervisor) will commence inspections on a routine basis after each lawn cutting.
2. Homeowners will continue to submit complaints using the form at the Receptionist's desk, and their name and lot number will be placed on each form.
3. Homeowners should also call Andre at 229-4817 and Margaret (Operations Manager) at 731-2900 each time poor lawn cutting is performed.

NEW BUSINESS:

1. Liaison Meeting Report:

President Matthews provided a synopsis of items discussed at the Liaison Meeting besides the lawn cutting issues:

- The spraying of ponds continues; several residents reported that it was done on this date.
- Dead trees are being removed as necessary on the common areas.
- Service animals are allowed in the pool area, but not in the pool.
- Homeowners who have a safety concern should call the Lee County Sheriff's Office, not the Security Gate.
- The Women's Room at The Pub continues to be in need of ongoing cleaning.
- The recent changes in the Manager position for The Pub is an ELS prerogative and therefore not open for discussion.
- The roof on The Pub is going to be replaced with metal.
- Carpet in the Billiard Room and tiles in the Activities Room will be replaced as soon as materials are received.
- Pool repairs are underway.
- Golf fees will be increased, but not until next year, and golfing privileges at Lake Fairways have now been made comparable to ours.
- Bridge repairs have been delayed in order to receive the proper permits and the receipt of the correct materials.
- The ELS 2016 budget will include the following improvements: road re-surfacing as planned, pur-

chase of a hydraulic lift to be shared with other communities, new Card Room furniture, new fountains, tennis court re-surfacing and installation of a canopy, Tiki hut repairs, installation of security cameras at the pool and outside The Pub area, renovation of Pool area rest rooms, replace removable walls, re-do Ballroom floor, and repair the electrical system at the front of the entrance.

2. Status of Review of Covenants:

President Matthews explained that the Board is going to undertake this process in November when a homeowner who has agreed to assist us will be returning to the Community; he is also an attorney. We will also work with our attorney with the intent of completing this task before the present Board's tenure ends in February of 2016.

Issues from the Residents:

1. The poor draining of surface water at 27L continues to be unaddressed in spite of three complaint forms being filed. President Matthews responded that this was brought up at the Liaison Meeting, but he will bring it up again at the November meeting.
2. The Board's decision to grant ELS the right to send letters notifying homeowners of needed repairs and consequences without the Board's prior approval was disregarding our rights under our Covenants. It was explained that this decision was done to expedite both the workings of the Board and to expedite the repair process. No resolution was reached on this issue.

With no further issues to discuss a motion was made and seconded to adjourn at 8:15 PM.

The next meeting of the HOA Board will be on Wednesday, November 4, 2015. The general Membership meeting is scheduled for Wednesday, November 11, 2015. Both meetings will be at 7:00 PM in the Living Room.

Veteran's Day

Wednesday, November 11, 2015

By Len Gorman

Every resident of Pine Lakes has a relative or loved one who gave his or her life – or a period of it – in the service of our great America. Please join us in a celebration of their lives at the clubhouse circle on Veteran's Day for a flag ceremony and a recognition of those who died.

Lunch will be served in the ballroom following the ceremony. Tickets are \$6.00 and may be purchased at the Saturday Coffee or by contacting Dave Gluck at 220-0464. Help with ticket sales would be appreciated. A film, *The Lone Survivor*, starring Mark Wahlberg, will be shown in the living room following the luncheon.

All veterans participating in the ceremony should report on Tuesday, November 10, to rehearse in the clubhouse circle.

Participants should arrive by 10:15 a.m. prior to the ceremony.

Note: bottled water and chairs will be available.

Collections for Vets

By Lois Likinay. 5671321

I will be collecting items for the VA hospital in Tampa. Again. They are in need of personal items, deodorant, combs, white tee shirts, golf gloves for the wheel chair guys (large and extra large), new caps, shampoos, lotions, handheld games, new magazines, white socks, crossword book or Suduko. Please, no used books this year.

We had a great response last year. You can bring to me, or I will shop for you. Just call and let me know. I plan to go to Tampa the day after Veterans day. Thanks for caring.

A Heartfelt Thank You

From Marilyn Matthews

I would like to thank all of Bob's friends in Pine Lakes for your thoughts, prayers and cards. Bob loved his life here and especially his friends at The Pub. He got so much pleasure in helping anyone who had a problem and very much enjoyed solving whatever was asked of him. Anyone who knew him knows how much The Pub was a big part of his life here.

I also want to thank my friends at The Pub for the beautiful flowers sent to me for my birthday. It meant a lot to me.

Love, Marilyn

Letter from the President of the Women's Club

By Judy DeLonge, PL Women's Club President

Hi to all the ladies:

This letter is to give you all an overview of the Women's Club and what's happening. Years ago when the club was formed, it was decided each year to have several fundraising events. The proceeds from these events were to be deposited in the checking account. Enough would be kept for operating expenses and various Pine Lakes Community projects and some activities as a thank you to all the women for their hard work. The rest would be given to local charities. Over the years, the club has been able to give a substantial amount to several charities.

Last year, we were able to contribute money for the purchase of the new chairs for the clubhouse, give the Beautification Committee money for Christmas decorations, give the Ladies Golf League money for the Breast Cancer fundraiser, help Pine Lakes Heart Response Team (AED) with money to maintain the defibrillators and also help F.I.S.H. with their projects. In addition, we donated funds to Day of Caring, the Salvation Army, ACT, The Lighthouse, Wake Up America, the Leukemia and Lymphoma Foundation, and a No Kill Animal Shelter. **We worked hard and did an outstanding job!**

This year we have started our plans to raise money. We are having a Spaghetti Dinner on November 14 in the clubhouse. Barbara Daley has planned a great meal followed by music and dancing and listening; it should be a fun time. Next, in January, we are having our annual craft fair and plans are well underway. Martha Stevens is in charge and has everything under control at the moment. Usually in February we have a Luncheon/Fashion Show in the clubhouse ballroom. At the moment, we do not have anyone to chair this event. Many of the plans are already in place, and we just need someone to add the finishing touches. Also in February we would like to hold another rummage sale. It was our biggest fund raising event last year, but we need someone to organize it. **The Fashion Show and Rummage Sale are currently in jeopardy unless someone is willing to step up and chair these events.**

In order for us to be able to make the donations to charities as we have in the past we need all the help we can get. Please think about how you can help us and make our Pine Lakes Women's Club **exceptional!**

Regular meetings are held on the first Thursday of each month.

Pine Lakes Women's Club Minutes of October 1, 2015 Meeting

To change the order of the meeting, members were asked to sit at assigned tables picked from a hat so they could mix with other members. Also, the meeting was in reverse order with fun, games, and refreshments first, followed by the regular business meeting.

Members brought canned goods and other nonperishables to support the efforts of **Wake Up America**. Each table was given a bag of supplies to arrange the items attractively, and a prize was awarded for the best display. The ladies then completed a "Pine Lakes Trivia Test" of 20 questions....interesting and fun!

The regular business meeting was then called to order by President Judy DeLonge. Judy indicated that Lori Downey had volunteered to be the secretary of the group since no one else had indicated interest. This was voted on and approved. The minutes of the September 3, 2015 meeting were read. A motion was made by Carol Carter and seconded by Joyce Cole to accept the minutes as read. In discussion, a revision clarified the minutes to reflect that Elizabeth Morris told Judy DeLonge that she would not be able to chair the Rummage Sale because of other commitments.

Pat Rotthoff indicated she would be selling tickets at the coffee social for the Christmas Party.

Sue O'Donnell gave the Treasurer's Report which was voted on and approved.

The visiting nurses will not be giving flu shots at Pine Lakes, but someone from Walgreens will be at Lake Fairways to give the shots (ed. note: on November 11th from 9:00 until 11:30 a.m.; don't forget your insurance card.)

Barbara Daley reported that everything is set for the Spaghetti Dinner on November 14.

Martha Stevens reported on the Craft Fair. She sent out 71 applications to previous vendors and crafters and has received 19 replies to date. Setup will be on January 21 for the fair on January 22. Pat Deveney will handle the kitchen with Barb Brown. Connie Philbrook will take care of the raffles. Parking and shuttling will be handled by Gene Stevens. Although Martha and Gene will set up, an additional four men are needed to help. Please call 217-0730 if you know of someone.

The Fashion Show needs a chairman to pull all the details together. Without a chairman, it will need to be cancelled. All arrangements have been made. Razzle Dazzle will put on the show, Martha Stevens will handle set up and clean up, Sharon Rondeau will coordinate the models, Kay Kaledas will take care of

It's A Day of Sharing

The holidays are fast approaching. Let us not forget those who are not as fortunate as we are.

You will be or have received the Day of Caring letter with attached envelope. A box is on the desk in the clubhouse to receive your cash or check.

We know times are tough, but somehow Pine Lakes always digs a little deeper to give those less fortunate a lovely holiday season.

Thank you from your committee

Beautification Committee News

By Olivia Mastrobuoni

The deadline for this article was the day of our Ice Cream Social and from the early ticket sales, we are expecting a good turnout for this new event. Hopefully we can report that it was a huge success. Many thanks to the women who ran it for Beautification: Barbara Hood, Trudy Minihan, and Carol Fettig with the help of Karen Mole.

Christmas decorating plans are well under-way. We are purchasing new lights and wreaths, and Kay Brown has started making her awesome bows with the assistance of new resident and committee member Kathy Patterson. They also made the beautiful raffle baskets for the Welcome Back Ice Cream Social; the monies made on the baskets will be for the purchase of new chairs for under the Tiki huts at the pool.

The committee is very lucky to have wonderful people who work very hard and donate much time and effort to Beautification. I would like to thank new committee members Bev Thompson, Tim Mercurio Pat and John Deringer and with the assistance of Joe Demkowicz for the great job they did painting and restoring the 12 large planters around the pool. We chose vibrant tropical colors and hope you love them as much as we do.

Next month we plan to have the Golf Cart Parade and Tour of Homes we are still asking people to volunteer to showcase their homes for the tour. We need 2 more homes we only have 3 at the moment.

Thanks once again for supporting our events wishing you all a Happy Thanksgiving. See pictures on back cover.

An Open Letter to Pine Lakes Residents

By A to Z

Dear Pine Lakes Friends and Neighbors,

We know you have reasons for not joining *FMO and we certainly respect that. However, in order to improve FMO's ability to represent all residents as we attempt to influence the laws affecting manufactured home communities, we would like to know your reasons for not wishing to join FMO. FMO can better represent everyone -- including you -- if we understand what you feel our weak areas are. Your input may help to make FMO a better organization.

You can let us know your thoughts anonymously by leaving a message in our mail tubes (Cypress Wood Court 10K or Bardmoor Court 01F) or on our answering machines (Maura 239-543-9642 or Ruth 239-543-7798). You may also want to feed the mailbox alligator, FFFF-MO, standing and waiting for you on the porch of Alexander, 10K, Cypress Wood Court. Of course, you can also use snail-mail or we'd love to stop and chat with you when you see us around Pine Lakes as we're truly interested in hearing your recommendations.

Please think about joining FMO as FMO is your only voice in Tallahassee. You will give FMO a stronger voice with your FMO membership.

Very sincerely,

Maura Alexander and Ruth Zabierek

*Federation of Manufactured Home Owners of Florida, Inc.

FMO Members and Pine Lakes Residents, Get Out There!

By Maura Alexander

My husband, John, was a salesperson and his belief was that the absolute best way to raise his income was to **get out there** and make sales. He was a very successful salesperson for many, many years.

When we became FMO representatives for Pine Lakes John's mantra was, "The absolute best way to increase membership in *FMO is to **get out there** and contact FMO non-members."

I am asking all Pine Lakes FMO members to **get out** there and obtain one new FMO member. I'm not asking you to do something I will not be doing myself. I truly believe in the mission of FMO and the

necessity of FMO for the residents of Pine Lakes and manufactured home owners all over Florida. I'll be **getting** out there with you and increasing our FMO membership. I'm asking you to find one other good Pine Lakes neighbor and friend, tell them about FMO and ask them to join FMO; membership in FMO demonstrates that you are a good neighbor and friend protecting our lifestyle here in Pine Lakes.

Ponder this: FMO gives you a voice in Tallahassee; if you have no voice, you have no choice.

Membership applications can be found in the lobby of the Club House right across from the Concierge's Desk. You can also call Maura Alexander (239-543-9642) or Ruth Zabierek (239-543-7798) or come to Saturday morning coffee and pick up an application. Membership applications are online at fmo1.org and you may use a credit card.

Get out there!

*Federation of Manufactured Homes Owners of Florida, Inc., and our voice in Tallahassee insuring laws are passed to preserve or enhance our lifestyle.

Pine Lakes Theater 2015-2016

By Michele Nauyokas

Pine Lakes Theater is planning an exciting 2015-2016 season for our community.

First, we have a new board. They are: Michele Nauyokas, President; Jackie Harrigan, Vice President; Barbara Hood, Secretary; Fred Weber, Treasurer; Peg Ackley, Historian; and Board Members Bob Mansen, Cass Klapac and Jan Talty.

Second, in December the Pine Lakes Theater and the Pine Lakes Chorus combine to bring "our" Christmas present to the Pine Lakes Community. *Voices of Christmas* will be produced on Saturday, December 12, 2015 at 7:00 p.m. In the spirit of Christmas, please bring a canned good to share with the Salvation Army. Plan to enjoy an evening of reader's theater and chorus at its best.

Next, auditions for the Reader's Theater will be held on Sunday, November 1, 2015 from 1:00 p.m. to 3:00 p.m. in the living room and again on Monday, November 2, 2015 from 4:00 p.m. to 6:00 p.m. in the craft room. Anyone interested in auditioning, please attend one audition.

Finally, the spring show will be on Saturday, April 2, 2016 at 7:00 p.m. and again on Sunday, April 3 2016 at 1:30 p.m. Auditions for the spring show will

be held on Tuesday, January 5, 2016 from 2:00 p.m. to 4:00 p.m. in the living room and Wednesday, January 6, 2016 from 4:00 p.m. to 6:00 p.m. in the living room. It is a cold audition which means that I will prepare material for you to read. You must attend one audition.

Anyone interested in joining our upbeat group, please contact any board member. We are always looking for new people to join us.

We look forward to an exciting year!

September 29--'twas a little book, but a lot to talk about. Not just *Crash Diet* but books in general (real & digital), TV offerings, libraries, nearby car museums.

The summer vacation trips have ended, the snowbirds are returning and the winter fun season is starting. For the Nifty Niners that means, instead of two teams, we will have four to six teams playing each Wednesday morning. At the present we have 25 members, BUT according to Article II of the PL Nifty Niners By-Laws: *The object of the NN shall be to encourage and familiarize newcomers with the game of golf, to foster friendships through social activities, to support improvement of the PL Country Club under the Board of Directors of the PL Golf Association and to conduct league activities in an orderly manner.* So with that said -- Come and join us -- we would love to welcome you.

Regular Play

September 23: It was good to see 12 golfers on this hot morning. The result sheet went missing, but be assured, we were all winners. It's just that one 4-some had a better score for this scramble.

September 30: The Pine Lakes course was closed for the week and we had the pleasure of joining the Fairways Niners. Carla, Ronnie, Linda and Nancy of Fairways welcomed Pat Dieringer, Martha Stevens, Robin Hourihan, Jean Marenda and Ruth Hovet. It was a still, hot and humid morning until we reached the 16th hole and we caught a beautiful breeze up on the green. The back nine, with the raised greens and two expanses of water on the 18th, are a challenge for Pine Lakes golfers, but the Fairways gals shared their knowledge and pointed out the best strategy. One stroke took the Carla, Ronnie, Pat and Jean team to the win. A very nice morning.

October 7: Twelve players raised their clubs in this scramble. The Marenda, Monks, McCarthy, Wurst team came out the winners.

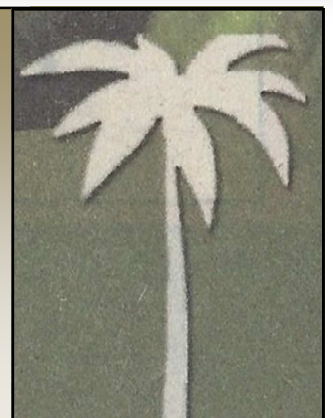

October 14: For the first individual net round of the season, eleven of us showed up. Maryanna McCarthy came out on top in Flight 1 and Ruth Hovet "lucked out" (I can say that cause I'm writing this article) in Flight 2.

Dates to remember:

- November 11: Monthly meeting after golf.
- November 11: Lake Fairways course is closed. Hope to welcome the Fairways Niners here.
- December 03: Christmas luncheon at Magnolia with the 18-Holers.

Tennis Rackets

By Len Gorman

At the Tennis Association Board meeting on Monday, October 19, Sue Buckhout was appointed to complete the term of Rich Silva, who has relocated.

Board meetings will be held the first Monday of each month, at 4:00 pm, in the living room. Association members are invited to attend this open business meeting. The next meeting will be held on Monday, November 2.

New residents who join the Association in November or December of 2015 will be considered full members for 2016. In other words, you will get two months of membership free!

Over the summer, Club members had a great time, with plenty of competition. Under the leadership of Rick Tipmore and Jim Todd, "Whatever" tennis provided a drop-in program of appreciative Pine Lakes and Lake Fairways tennis players. Although it was extremely hot and wet, members took advantage of every opportunity to play during both day and evening. This activity provided an additional benefit by continuing into September and October, catching players returning early to Pine Lakes for another tennis season.

Fun, camaraderie and playing with and against various skill levels helps to build confidence and improve performance. The feedback has been most positive.

Up-Coming Events:

November 13: Tennis Members' Welcome Back Party. Sign up sheet on bulletin board.

December 12: ELS Good Neighbor Tournament. Save the date and plan on signing up.

December 19: Tennis Members' Christmas Lights Cruise. Bring a snack or appetizer. \$19.00 due by December 1. Sign up sheet on bulletin board.

March 10, 2016. Thanks to Morgan, plans are being made for the Broadway Palm dinner theater presentation of *Sister Act*.

Reminder: Please be sure that you lock up the shed after using the ball machine.

REQUEST: Out of respect for veterans and guests, please do not use the tennis courts between 11:00 a.m. and noon on Wednesday, November 11, 2015, while the Veterans Day Commemoration is being held.

Line Dancing and Ballroom and Country Partner Dancing

By Linda LeClaire Smith
(239-849-0459)

Build confidence on the dance floor! Get some exercise, have fun, and make new friends.

Line Dancing begins in January - We dance to all kinds of music...country, oldies, Latin, pop and more. We meet in the Pine Lakes ballroom on Tuesdays from 11:00 - 1:00. If you're interested in learning the social line dances ie: Electric Slide, Cupid Shuffle, Wobble, Cha Cha Slide, Macarena, YMCA, etc., please arrive promptly at 11:00. These are the dances we will practice first. After that, we will do beginner's dances until about 12:15, and then proceed to more advanced line dances. Line dancing uses many of the same steps used in ballroom dancing, for example, cha cha, waltz, rumba, triple step, samba, etc.

Beginner's ballroom and beginner's country partner continues on Tuesdays dance classes will start in January. These classes will be held on Tuesday afternoons from 3:00 - 4:30.

During the month of January, we will practice the 'waltz' in the ballroom class. We will practice the 'Cowboy Meringue' in the country partner class. Please call me if you are interested in either or both of these classes.

Whether you're dancing at a Pine Lake's dance, at a social event or on a cruise, you'll have a better time if you feel more confident on the dance floor.

Keep smiling and keep dancing!

Tai Chi is Back

By Tony Fetting

It has been an exciting educational tai chi summer back in Michigan. My instructor at "Michigan Tai Chi Association has helped me to improve my tai chi and given me a lot to work on here over the winter. It has also been my honor to have been promoted to an Instructor in "Michigan Tai Chi Association".

About Me (Tony Fetting)

- 20 years martial arts experience (Tai Chi is a form of martial art), 5 of those years as instructor.
- 4 years Tai Chi experience and an instructor with "Michigan Tai Chi Association"
- 4 years Pine Lakes resident, (October - April)

New Form:

I will present the Tai Chi form of Master Moy Lin Shin (Taoist). Master Moy introduced his tai chi form with the goal to improve the health of all who would practice and follow his teachings.

For Who:

EVERYONE : MEN, Women, young and older. ANY QUESTIONS REGARDING YOUR ABILITY TO PERFORM THESE SLOW GENTLE MOVEMENTS CAN ONLY BE ANSWERED BY YOU AND YOUR PHYSICIAN !!!!

Class Format:

First 20 minutes: Foundation exercises, slowly and gently working all muscle groups and joints with an emphasis on deep breathing and relaxation.

Second 20 minutes: From the beginning, step by step learning the form of Master Moy Lin Shin. Demonstrating and practicing each movement in order, emphasizing stance, direction, hand and foot position all in order to provide the most physical benefit.

Final 20 minutes: Connecting the learned movements into the relaxed continuous flowing form known as Tai Chi.

When:

Starting Monday October 19, 2015, classes will be held on Mondays at 9:00 am and Thursdays at 11:00 am in the ballroom.

Personal Benefits:

Many health sources can be found to support the claimed benefits of Tai Chi. Tai Chi has been shown to improve one's flexibility, coordination, relaxation, balance, and blood oxygenation. It has also been shown to reduce blood pressure and heart rate.

"Sounds of the Season"

December 5

By Donna Morris

If you were in attendance at the October Saturday Coffee you know it was obvious that many coming events were being advertised. From music, comedy, spaghetti, ice cream and a tribute for veterans, there should be something for everyone to enjoy. Your Pine Lakes Entertainment Committee is very pleased to tell you that we have finally been able to sign a contract with Christopher Dallo and Brian Roman and their band for our **December 5 Holiday Show**. They work as a team but each one offers his own unique voice.

Christopher Dallo brings his tenor voice from Canada. He has performed with various symphony orchestras and toured with David Foster on his Christmas Tour. Christopher was featured at many con-

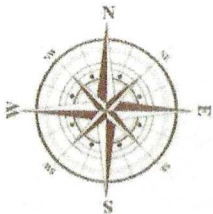

certs with audiences up to 20,000 people.

Although Brian Roman has only been in the entertainment circle for eight years, his personality, along with his rich voice has made him into one of today's top entertainers. He has performed for audiences in the U.S.A., Europe, Canada and the Caribbean.

Christopher and Brian's program is sure to entertain us as they will bring us music from Sinatra to Groban and Elvis to Bocelli plus some **"Sounds of the Season."**

So, as you prepare for your Holiday Festivities, please accept this invitation from the Pine Lakes Entertainment Committee to join us on December 5 for a great night of music.

Tickets are \$15.00 and available from Donna Morris at the Saturday Coffee or call 543-1604. BYOB/Snacks.

Your WP Staff Needs a Little Help

First of all, we really appreciate the contributions made by our "correspondents" and can tell by the comments that our readers enjoy them. Just one little reminder.....if you type your article and send it to whisperingpines2014@centurylink.net, it would really help if you would put a copy in the folder at the reception desk in the lobby of the clubhouse. This serves as a "failsafe" so that our editor will know that we already have the article, and it does not need to be passed on to our word processor. Also, when he proofs the publication, he can notify the layout team if they have missed something.
