Still hot and humid. The front nine at Pine Lakes is still closed so a lot of people have been playing the back nine twice. Our Thursday Men's League has been playing at Lake Fairways with their league. We will keep doing this until our course is open with 18 holes. We have been told that the course should be open by October 15th at the latest. It is starting to look. The tee box on 14 may be open by October 1st. We will be having our summer grand shoot out on October 1st and it will be played on the back nine. I will let you know the results in the next issue. Got two months of results so here we go:

TEE TIME

By Ronda Owens

It was a long, hot summer here on the Pine Lakes golf course, but not bad enough for "THE FEARLESS FIVE". We're talking about Louise Ittner, Bev MacNeal, Cyndi Parks, Donna Schneider and Angie Teresky. These five gals golfed every Wednesday that the course was open, give or take a Wednesday here and there. Good for each and every one of you for sticking it out in the sticky heat. Hopefully, the cooler weather is on its way and lots more of the members will be hitting the links in the months ahead.

No postings have taken place due to only the back nine being open.

The first shoot out takes place on Sept. 24th, so the results will follow in the next issue.

NIFTY NINERS NEWS

By Ruth Hovet

IT'S OVER - - Wednesday summertime mornings when the few and the brave come together to enjoy an intimate, fun and relaxing scramble. The back nine (the front has been closed all summer) has provided a challenge, but a nice change of pace. And it's sure to have improved our game. Now we look forward to our northern friends returning and joining in the sport.

Summer Fun Shootouts

Ten golfers showed up for the August 20 shootout with Jean Marenda and Ruth Hovet representing the Nifty Niners. After a chip off on #17 Linda Knotts was out. And yet another chip off on #18 between Donna Schneider and Cyndi Parks showed how evenly matched these two golfers were that Saturday morning. Cyndi came closest to the pin to win the shootout.

The Grand Shootout - September 17: Eleven golfers (including Niners Jean Marenda and Ruth Hovet) anxiously awaited our guru(s), Ray Streeter and Roger Jung, before heading to the 10th tee. Two ladies were eliminated on both holes 10 and 11 (holes 14 and 16 were dropped from play). Just another incentive to join the summer fun as the rules can be modified to fit the conditions.

CONGRATULATIONS!

The Whispering Pines wishes to apologize to Larry and Helen Schapp. Their 65th wedding anniversary was omitted from the last issue. On June 16th the Schappes celebrated with their family.

Play proceeded to #17 with Bev McNeal, Bev Bynum and Ruth Hovet still in the competition. Bev lofted her ball over the water and onto the green and the other Bev followed her lead. Guess that leaves Ruth to dunk her ball in the pond and leave the competition. The two Bevs continued their fine drives on #18, but Bev McNeal prevailed and took home the winnings.

A Hats Off to our caddies and our cheering squad. You are a big part of the shootout fun.

Coming Event: Fall Luncheon Thursday, October 13 at Sable Springs Golf & Country Club. Sign up and drop off your check by noon October 6.

Note: The Nifty Niners welcome new members. Come and join us for a "trial" run. You pay your green fees only and then decide whether you would like to join our league. Check with the Pro Shop for all the different memberships offered. Call President Barb Daley (239-731-9718) for more details.

AN INTERVIEW WITH PETER TALTY, PINE LAKES NEWEST AUTHOR

Peter Talty, a four-year resident in Pine Lakes has had his life story published. Below he is interviewed by his wife, Jan.

Jan: "What made you write your life story and why so long (758 pages)?"

Pete: "I have led a crazy life, and I wanted my friends and family to know how I became the crazy person I am today. Actually, the book could have been longer and maybe should have been a trilogy. That's how much craziness I lived."

Jan: "So, that's why the crazy title?"

Pete: "Sure, doesn't 'Disparity: An Autobiography of a Man with a Hungry Heart' say it all?"

Jan: "I don't think most people would describe you as crazy (I might)."

Pete: "Really? So, I have fooled many people over the years? However, there are parts in the book that will surprise, shock, and maybe even disgust the reader. Even you? Right?"

Jan: "Well, there were parts that were surprises to me even after knowing you for over fifty years. How can people get this tome of epic craziness?"

Pete: "We have some copies at the house for \$25.00 and so you can save the shipping cost and get an autographed copy delivered to your door. Call us at 599-4994. You also can order it through Xlibris (my publisher) Amazon, Barnes & Noble, and the Sandman Book Company in Punta Gorda is also carrying it."

TAI CHI RETURNS

BY TONY FETTIG

For the past two seasons I have presented the Tai Chi form of Master Moy Lin Sin (Taoist) and will continue doing so this season, catering to all new beginners as well as the loyal practitioners that wish to continue to expand their knowledge of the form.

About me, Tony Fettig 20 years martial arts experience (Tai Chi is a form of martial art), 5 years as instructor.

5 years Tai Chi experience as well as being an instructor with the "Michigan Tai Chi Association" the past two summers.

5 years Pine Lakes resident, (October thru April)

Class Format:

First 20 minutes: Foundation exercises, slowly and gently working all muscle groups and joints with an emphasis on deep breathing and relaxation.

Second 20 minutes: From the beginning, step by step learning the form of Master Moy Lin Shin. Demonstrating and practicing each movement, in order, emphasizing stance, direction, hand and foot position all in order to provide the most physical benefit.

Final 20 minutes: Connecting the learned movements into the relaxed, continuous flowing form known as Tai Chi.

Starting Monday October 17, 2016. Classes will be held on Mondays at 9am and Thursdays at 11am in the ballroom.

The following was taken from a flyer published by the Michigan Tai Chi Association.

" Invest in Your Health Try Tai Chi

Tai Chi is an ancient Chinese art form combining mental cincentration, harmonized breathing, and slow graceful movements to relax, regulate heartbeat, and improv muscular, neurological, glandular and organ function. Tai Chi's combination of gentle flowing meditative movements help to reduce the stress of everyday life. These gentle movements enhance the flow of vital fluids (energy) in the body, promoting blood circulation and enhancing immune functions.

In addition to improving everyday physical functioning, Tai Chi offers numerous othe benefits beyond stress reduction, including:

Increased flexibility; Improves balance and coordination; Increases bone density; Improve muscle strength and definition; Increase energy, stamina and agility; can lower blood pressure; improves cardiovascular fitness. "

Looking forward to seeing you soon, Tony

LET THE DANCING BEGIN

I can't wait to start the line dancing lessons again, and I hope that you'll join us this season. Whether you're new to line dancing, or an old pro, this is a chance for you to learn the social line dances, beginner's steps or more advanced dances. Classes are on Tuesdays from 11 AM to 1 PM beginning October 11. At 11, we have an ultra-beginners (learn the basic steps) class for about 15 minutes, then, we'll go over the social line dances. Following that, we'll spend about half an hour doing beginner dances, and then some more advanced dances.

Line dancing is a lot of fun, and is great physical and mental exercise. So, even if you've never tried line dancing before, this is the time to learn. The season is beginning, and we have lots of dinner dances and social events coming up. Come to the lessons and be ready when they play the social line dances.

Rent your home through Taylor Resort Homes

Taylor Resort Homes, the top-selling sales broker for homes on leased land in Pine Lakes and Lake Fairways, is now managing a limited number of high-quality seasonal and annual rentals in these two resorts. We have many potential renters and need clean, well-cared-for homes. All rental homes we manage must meet our high standards.

If you are considering renting your home for 2016 or for the 2016-2017 seasonal period, please contact us.

- ◆ We assist the renter in obtaining resort approval for occupancy.
- ◆ We collect the required county and state occupancy taxes from the renter and file those taxes with the appropriate agencies.
- ◆ We collect the rent and security deposit from the renter.
- ◆ We advise home owners as to required items and services (coffee pots, dishes, linens, Internet connection, basic TV cable or satellite service, etc.).
- ◆ The renter pays for maid service upon leaving and we coordinate that service.
- ◆ We draw up the rental contract and obtain necessary signatures.
- ◆ We personally meet your renters upon arrival and provide them with welcome gifts and information.
- ◆ We advertise your rentals at no additional charge to you.

Our fee is the standard 14% for stays under 6 months and one-month's rent for annual rentals. Seasonal rentals usually bring \$2,200 and up and annual rentals usually rent for \$1,100 and up, depending on the size and location of the home.
