PINE LAKES CERT PROGRAM

My name is Mike Gloss and I am the new volunteer Acting Director of the CERT program here at Pine Lakes. CERT stands for Community Emergency Response Team and is administered by our local Fire & Rescue Department. It is part of the Citizen Corps Division of Homeland Security of our Federal government. Its purpose is to assist and evaluate our community needs in the event of national or man-made disasters, hurricane, tornado, fire, chemical spills, or acts of terrorism. We have had an active group here at Pine Lakes, but interest and volunteer numbers have fallen due to ageing, health situations,

recreation and general lack of interest. Our last natural disaster was Hurricane Charley in 2004, 13 years ago.

It is time to revitalize our CERT program so we are able and ready to serve our neighbors should the need arise.

Requirements:

- Have a desire to help your neighbor in time of need.
- Ability to attend free training sessions and periodic meetings.
- No heavy lifting or financial obligation.
- Pine Lakes resident—full time or seasonal.

PINE LAKES BOCCE LEAGUE

by Betty White

Hello everyone, March was the final month for the Pine Lakes Winter Bocce League. I am writing this article before the banquet and the in the final week of play.

Congratulations to Bonnie Weller and Jack Conway who won first place with an undefeated Winter session. Great going!!!

On a sad note, we have lost one our Bocce Players this Winter Season and we would all like to offer our heartfelt condolences to Donna Provost on the loss of her husband Ron. May he rest in peace.

We are all grateful that Irene Gaetani and Jim Rastrelli have agreed to co-chair the Bocce League for the upcoming seasons. Without their generous commitment to the league there would be no Bocce for the 2017/18 season. Thanks again to both. We would also like to thank Karen Heddleston for great work in her treasury commitment and thank you to the new board members coming on board for the upcoming seasons.

The following is a list of the Committee/Board Members of the league, the veterans and the new members that have been added. We have members that are both Fall and Winter and some only the Winter Season. They are as follows:

| | |
|--|------------------------------|
| Irene Gaetani and Jim Rastrelli Co-Chairs | |
| Shelby Greene Will remain this coming season as a consultant | |
| Karen Heddleston | Treasurer |
| Betty White | Whispering Pines Articles |
| Margaret Ahrens | Winter Season Only |
| Arlene Stoecker | Fall and Winter |
| Jack Conway | Winter Season Only |
| Al Gaetani | Fall and Winter (new member) |
| James Rendone | Winter Season Only |
| Larry Hyskey | Fall and Winter (new member) |
| Ken Hunt | Winter Season Only |

Shelby Greene is retiring from chairing the Bocce Sessions and has given me these notes to pass on to everyone:

Thanks for the help I have had in the ten years that I have run or co-run Bocce. In that time, we have gotten quite a lot accomplished. New canvases at both ends of the courts (paid for by the Bocce league). A box for equipment, new carpet three times, after much negotiation with E.L.S. Also, E.L.S. will be resurfacing the courts this Summer. We are hoping they will be finished by the first of October as play begins in the second week of Oct. I also want to mention that Betty White has done a very good job on the articles in the Whispering Pines and that Jim Rastrelli has done and is doing great with the scheduling, score sheets, etc. Thanks again to all, we look forward to a great upcoming season.

March 2017

Preventing Lot Rent Increases - Nancy Black Stewart FMO Lobbyist

As the Florida Legislature begins the Regular Session all mobile and manufactured home owners living in parks and communities on leased land must get prepared.

As you know, the land you are leasing for your home is assessed as commercial property. Ten years ago Florida voters approved a change to the Florida Constitution that placed a cap on the amount of increase for the ad valorem property tax assessment each year. The cap is 10%. As an example, even though the park land may have increased in value 15% from the previous year, the maximum amount of the assessment increase would hold steady at 10%.

Why do we care? Ad valorem taxes may be passed on to home owners on a pro rata basis.

This is because, unfortunately, the tax cap also has an end date of January 1, 2019. This issue must be placed on the ballot and approved by 60% of the voters. In November 2018. If it is not approved at that time by the voters the sunset date will take effect and commercial property taxes will increase too.

Yes. We do care. A lot. So this is where things stand at this writing.

Senate Joint Resolution 76 has been filed by former Senate President Tom Lee and House Joint Resolution 21 by Representative Colleen Burton are moving through the legislative process already. Each bill has passed out of the first committee of reference...Senate Appropriations Subcommittee on Finance & Tax, (5-0), and House Ways & Means Committee, (16-1).

As you know, I do not usually opine as to the prospective outcome of legislation...everything changes by the minute. I will make an exception here and tell you that I believe the Legislature intends to put this issue to the voters next year!

Of course the business community has been working on this issue along with FMO and FMHA. The real work will be to convince Florida voters of the value of keeping a cap on assessments! Stay tuned for further developments.

NOTES FROM THE EDITOR

DEADLINE CHANGE AND SUMMER PROCESS

The June/July/August issue of *Whispering Pines* will be distributed the first week in July -- deadline for submissions has been adjusted to **June 19**.

Editor Cindy will be gone north from May 13 until Sept. 25. **IF YOU SUBMIT YOUR ARTICLE VIA E-MAIL, CONTINUE TO SEND TO cindyahrens@netzero.net & art@stingerdigitalprint.com**. Judy Hale will check the folder at Clubhouse Reception Desk for any handwritten articles to be typed, articles NOT sent electronically to Stinger, and for any ad payments. Hoping this process will work smoothly over the summer months.

NOTE TO COURT CAPTAINS

Over the summer months it is essential to get accurate counts to save money on printing costs for the *Whispering Pines*.

For the **June/July/August** issue, please give your copy count to **Peg Ackley by June 22**; copies will be distributed the first week in July.

For the **September issue**, please give your **copy count to Sharon Rondeau**, 239-543-5386, or e-mail SR105105@centurylink.net. Deadline for count is **Monday, August 21**.

For the **October issue**, give your count to Peg Ackley by **Sept. 21**. THANKS!

MAILING OF WHISPERING PINES COPIES

You may or may not have noticed that the "mailing coupon" has not been included in recent issues of *Whispering Pines*. Because copies are posted on the web page (www.ourpinelakes.com) in full color, paper copies will no longer be mailed by the Editor. While you are away from Pine Lakes, please view on the web page, or ask a friend/family/neighbor to share the newsletter with you on the web. Another option is to ask a Pine Lakes neighbor to request an additional copy and mail that copy to you.

To all those departing "Paradise in Pine Lakes" – wishes for safe travels and a healthy summer – see you in the fall.
Cindy Ahrens, Editor

WHISPERING PINES ADVERTISERS – CLASSIFIED AND DISPLAY ADS

Please e-mail your advertising copy to **BOTH** e-mail addresses: art@stingerdigitalprint.com & cindyahrens@netzero.net
 This will help the editor and production to coordinate and make sure all ads are included and are paid.
 If submitting payment at Clubhouse Reception Desk, please include paper copy of the ad, along with check made out to **Pine Lakes HOAII**. If paying for ad direct to Stinger, they will notify editor of payment for bookkeeping purposes.
 Questions – contact Cindy Ahrens, 612-790-1913, cindyahrens@netzero.net. Looking forward to working together to making advertising in the Whispering Pines a success for all! **Deadline for the next issue is June 19.**
