LIAISON MEETING MINUTES

May 13, 2021 – 2:00PM – Clubhouse Living Room

Attendees

HOAII: Bruce Wrede, Gary Nicolini, Betty White, Mike Hayes, Mike Gloss, Jackie Bartilucci

PLE HOA: Dick Loubier, Cindy Ahrens (recorder)

ELS: Jeff Belle (Vianney Lara is out on medical leave)

Liaison meeting was called to order at 2:00PM in the Clubhouse Living Room. Jeff reported that most of the 360's have been sent; tries to work with residents to resolve problem/issues. With Vianney's absence, responses and action may take longer. For resident announcements/information, Jeff is researching the calling post and changing to unlimited phone calls for one set price rather than paying for each calling post individually. Jeff is also looking into an e-mail alert.

GENERAL TOPIC DISCUSSION

1) Flooding issues on Grand Cypress

Response: The storm drains need to be flushed out in certain areas; working to obtain quotes to address issue.

The majority of storm water after a heavy rain is often gone within 24 hours.

2) Children living in 6-V (Estates/lease property)

Response: Jeff will discuss with Dick Loubier to make sure it is addressed properly.

3) Tree branch in lake by 12th fairway

Response: DONE.

4) Dead tree to right of the 8th green that is dropping branches.

Response: Jeff will review and have Joshua address the issue.

5) When will outside play be allowed on the golf course? Is community now open to public? Are people coming in from the outside & can we inform them that they can come in?

Response: As of May 1, 2021, the golf course has been open to the public. In addition to the community events, the restaurant is also open to outside use. Still practicing CDC guidelines as they relate to mask wearing and social distancing.

NEXT ISSUE **DEADLINE**

**HOAII and PLEHOA Minutes can be found on
the web www.ourpinelakes.com**

MAINTENANCE ISSUES

1) Status of rubberized mats for the Eagle Trace bridge and Friendship bridge.

Response: The mats were obtained but are not a viable solution, so we are looking at additional types of rubberized matting for the bridges.

2) Status of new bridge lights at Eagle Trace.

Response: The bridges are all in the process of being pressure cleaned, water sealed, and planks replaced. This project should be completed in about three weeks (during the process each bridge will be closed for 3-5 days). The start date is May 17.

3) Status of corrections on the facility direction and golf course signs.

Response: The proofs and contract have been completed; the corrections of the signs will be done when the signage for the golf course and cul-de-sac is delivered. Individual cul-de-sac signs will be done next year.

4) Status of the pool.

Response: Have scheduled a leak detection company to determine if there is an under-ground leak. All other areas of the pool are working properly.

5) Has fence on west side of property been patched?

Response: No schedule for repair; fence does not belong to ELS.

6) Status of Pub women's bathroom.

Response: The new vanity still requires installation. Should be installed after the mulch has been installed for both communities.

7) Cul-de-sac number signs are getting harder to read and need to be replaced.

Response: Referred to response on question #3; individual cul-de-sac signs will be in next budget.

8) The sign going to hole #10 is out of ground, the sign tells people no walkway, it is by bridge.

Response: Sign has been replaced in the ground.

9) Pool area awning.

Response: the awning will be replaced with a different color that will coordinate with new pool furniture.

HOMEOWNER CONCERNS

1) Has trash been removed from the storage area?

Response: This is currently an ongoing project to address correctly. Areas of trash have been removed, however, there are some additional areas of the storage area that also require attention. For future, looking at paving both community storage areas.

LANDSCAPE CONCERNS

1) Are the bushes on cart path to the Eagle Trace bridge on Joshua's punch list; complaints that carts cannot drive through bushes.

Response: ELS will continue to maintain the cart path bushes.

2) Jeff reported problems with trees; he is trying to budget additional for tree removal and trimming. Done?

Response: Have removed additional trees in the month of April, and have several areas left to address that are scheduled. Funding needs to be available.

ARC DISCUSSION AND UPDATES

Is a new color palette being used?

Response: Mike Gloss responded. He visited Lowes and has received 2 separate color palettes (1 is special for vinyl siding) colors are earth-tones and muted colors. Mike Gloss has the new color palettes for ARC requests. For lease lots color palettes may be picked up at the Clubhouse from Dari.

CAP X PROJECTS - UPDATES

1) Schedule for street paving looks good.

Response: Thank you from Jeff with a review of future projects.

2) Carpet in library update: in process for approval, have selected neutral color.

Response: Taylor Carpet will be onsite next week to begin the installation of the new carpet in the library.

3) Ballroom floor replacement: will be industrial laminate, future project. Any idea on time frame?

Response: No time frame currently. Have placed this as a possible cap x project for 2022.

4) Pool furniture; Jeff has received a bid and has submitted for approval. Date?

Response: Colors have been finalized and the contract signed. No delivery date currently. Will send out communication once near to delivery date. May close pool area for a day to change out the furniture; planning to modernize the pool area.

MISCELLANEOUS

1) Clubhouse fire alarm panel was damaged, needs to be replaced.

Update: Jeff is awaiting quote; suppression system works but needs new panel.

2) Jeff reported that ELS will begin to open more areas of Clubhouse. May return to Saturday morning coffees; the CH kitchen will be available with social distancing, masks and limited number of people. Event requests first need to check with Dari for calendar booking; if kitchen is needed, that request first to Dari for calendar and then submit request to Jeff or Vianney for approval.

Update: Everything is open now, no limit to attendance.

QUESTIONS/COMMENTS FROM ATTENDEES

1) In a previous meeting, Ray Walton requested a current resident listing for use at the gate. Would like list in electronic form for updating.

Response: Jeff stated that listing should be available for the gate.

2) In a previous meeting, Mike Gloss had noted that in billiards room the chairs are hitting against the back wall, suggests a chair rail. Being addressed?

Response: Jeff noted the issue.

3) Dick Loubier noted that a branch is hanging down at hole #14.

4) Mike Gloss noted that the previous manager had offered gasoline for emergency generators from ELS Maintenance. Jeff questioned that option; however, Mike had the offer in writing and will forward justification to Jeff for review.

Mike also noted there is a Florida state CERT convention August 23-28 that he would like to attend, review of cost. Expenses for Mike Gloss will be considered for reimbursement by ELS when submitted in advance to Jeff.

5) Gary Nicolini reported on the bee problem on Gator Creek – huge hive within the walls of a home, cul-de-sac 31.

Response: Jeff said he would check on the status of the issue.

6) Bruce Wrede issues: branches overhanging a bench on Circle Pine; he requested the benches around perimeter be power washed. Also question on the bulletin board area and the chorus closet back of CH for storage.

7) Jeff reported that budget submission is upcoming – Pine Lakes needs will be addressed.

8) Continue to submit ARC requests to the office for Jeff review & approval.

9) Jeff is looking to increase the fees for any clean-up on properties that ELS would have to clean up.

Meeting was closed at 3:05PM. Cindy Ahrens, Recorder

PINE LAKES HOA II

Bruce L. Wrede, President

As Memorial Day slips away and we move into June and the snow birds that were able to make it to Pine Lakes have gone north, Pine Lakes has gone back to its summer time routine. The only difference from this year to last is that ELS has removed all restrictions on gatherings at Pine Lakes. The pool and clubhouse are open for full use. The Pub and golf course are open for outside visitors. A sense of normality has returned.

The last 16 months or so since the pandemic hit have been hard on everyone. We all know someone who had Covid-19 or lost a loved one to it. The inability to gather with friends or just go to a movie has taken a toll. We all hope and pray that as we all get vaccinated and as the effects of the virus diminish, we will all be able to lead more normal lives.

The lifting of restrictions on public gatherings by the Governor and by ELS will allow for the public meetings of the HOA II to begin again. The Board will resume our regular meetings starting in September. The meetings will still be held on the third Monday of every month (except June, July and August) at 7:00 pm in the ballroom of the clubhouse.

The Board has been busy during the period of shut down. We have two new Board members and have been working hard concerning ELS's proposed expansion project on the farmland to the north. The month of June is a pivotal one as ELS is planning a series of informational meetings on the expansion. The Board will keep all the homeowners up to date as we receive the schedule for these meetings. Please check-in at our web site (www.ourpinelakes.com) to stay current on what is going on.

The Board wishes y'all a safe and healthy summer. The last year has brought enough illness to us to last a lifetime.

See you all in the fall.

LOVE TO SING??

The Pine Lakes Chorus for many years presented both a Spring and a Christmas show for the residents of both Lake Fairways and Pine Lakes, however, its last performance was in 2016.

Darlene Topp took over the Director's position from the original Pine Lakes resident, Jackie Scharfe. She is ready to do it again and has even reserved rehearsal and show time dates. All we need are the singers!

We have been fortunate in the past to have people from other local communities add their voices to ours to put on some great shows. So, this invitation is being extended once again to those who would like to be part of a Disney Musical next March to sign up to sing. If you read music that is great, but if you are willing to learn your part that's okay too.

Here is the schedule reserved for practice and showtime in the Pine Lakes clubhouse:
Rehearsal time: 6:30 PM-9:00 PM
on the following dates:
December 27, January 3, 11, 17, 24, 31
February 7, 15, 21, 28, March 7, 10, 11
Evening Performances: March 12, 13

All who love to sing and are willing to devote the time to rehearsals are invited to be a part of the new Pine Lakes Chorus. Please let us know. **You do not have to live in Pine Lakes to be a member of our chorus.**

BEAUTIFICATION UPDATE

Yay!!! The pool Tiki masks have been redone. Because the masks were so faded, the painters "guessed" at the prior colors or just created their own vision. One pool goer commented that she'd "never seen them before" - they won't go unnoticed now!! The parrots, birds and other decorations got new life as well. Many Thanks to the painters - including Ann Harnett- for bringing the festive vibe back to our pool tiki huts. [See the photos on color cover!]

We hope to continue pursuing small summer projects that produce a big impact on our Pine Lakes environment.

We wish you a happy, relaxing, and safe summer.

C.E.R.T REPORT

By Mike Gloss

June 1st was the start of hurricane season. Plan for what you need and where you will go if evacuation is in your plan. Local officials and the Fire Department do not recommend going to a local shelter. If you choose to go to a shelter, be prepared to take your own bedding, food, water, medications and toiletries for one week. Island Coast High School is our closest shelter.

Directions: Exit front gate & turn right, at Del Prado turn right, go to the first street on right which is De Navarra. The school is on the right. If the emergency hurricane gate on the south side of Lake Fairways is open, proceed straight ahead on Garden Blvd to De Navarra and turn right.

If your plan is to Shelter-In-Place when a mandatory evacuation is declared, please complete our Shelter-In-Place form, available at the concierge desk and place in the evacuation box at the gatehouse exit on Rt 41.

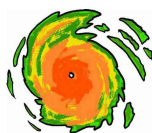

In preparation for Hurricane season, our CERT team has completed an inventory and restocked our supplies.

CERT members Dr. Jary Quinones & Angie Teresky completed certification for AED and CPR.

Welcome aboard to our new team member Gary Nicolini.

PINE LAKES SHUFFLEBOARD – 2021-2022 SEASON COMING SOON!!

By Elaine Mandeville and Irene Gaetani

The official Fall Season will begin on Tuesday, October 12th at 7:00 PM! With Covid well behind us, we hope to have a healthy new season! Everyone is invited to attend on every, or any, Tuesday during the season which will end mid-December.

Anyone can play, whether or not they have ever played before. It's very easy to play and a person can even win their very first game if lucky!! Anyone who has played before can teach a new player in just a few minutes. Everyone picks a number which assigns them to a specific court and partner, which changes with each game. So come along and join the fun.

In the past we've taken a 25-cent donation from each person for the evening which gives winners 10 cents for each game and a little left over for shuffleboard pins for the winners at the end of the year. Due to Covid, no money was collected to keep from potentially passing any germs. We will take a vote at the first session and see what people want to do this season.

BOCCE LEAGUE

By Jim Rastrelli

Summer is upon us and many of our Bocce Players have returned to the North lands. There have been changes to our Board. Three members have resigned, and we have four new Committee members. The new members are Janet Lembo, Kathy Yablonsky, Joe Salerno and Rich Pacewic. The other Board members are Shelby Greene, Jack Conway, Ken Hunt, Tony Fettig and Jim Rastrelli. Our first Committee meeting was held, and everyone was very enthusiastic about the coming Fall and Winter seasons. Officers will be Rich Pacewic and Jim Rastrelli as Co-Chairs, Jackie Yablonsky, Treasurer. In the meantime, Rich Pacewic and other players will be starting on June 2nd at 7 PM, "Bocce at Night" games. This will be a non-scheduled play, open to anyone who would like to play Bocce and learn the game or just have some summer evening fun. The Bocce Courts are lighted so it should be a lot of fun. Fall Sign-up will be Wednesday Sept. 29, 2021 at 9:00AM. If Covid-19 regulations are lifted, we will have our usual Coffee and Donuts available, and the Drawing of Teams for the Fall Season will be held. If anyone would like to pre-register before Sept. 29th please email Rich Pacewic, RPP80@aol.com or myself, jimraster37@gmail.com. *Everyone have a safe and healthy Summer and we will see you all in September.*

NEWS FROM THE NIFTY NINERS

by Jane Vogel (and Pat O'Connell after Jane ran away from home!)

April 21 and 24. Rain out on Wednesday and a summer shootout on Saturday. Three of our ladies represented the Nifty Niners in the shootout: Helen, Gina, and Ruth.

April 28. Today's game was "Hate 'em Scramble" where before we teed off, each team got to choose one hole to not count in their total score. Three of the four teams quickly selected hole #9 and one team chose #6. We did play these holes, just didn't count the scores in our team totals.

Finishing first was Pat O, Margi, Shirley, and Veronica with a reported score of 27 which included a birdie on #7. Coming in second were two teams: Ruth, Jacquie, and Jane reported a 28 but no birdies; Helen, Janice, and Brenda also had 28 including a birdie on #1. Just one stroke more at 29 were Joanne, Doris, and Gina.

May 5. "Red, White, and Blue Shamble" was the flavor of the day with scoring dependent upon the color of the flag on each green. If the flag was red, we recorded the single best score of the players on each team. A white flag utilized the sum of the best two scores of the team, while a blue flag had us adding up the team's three best scores. Two teams tied for first place with a team score of 69: 1) Pat O, Ruth, Brenda, and Helen and 2) Jacquie, Shirley, and Joanne. The other two teams scored in the 70s and out of the money.

May 12. Low Net in Flight "LNIF" kept eight of us busy this morning. Handicaps were applied to the gross scores which resulted in Pat O coming in first with 25. Following in second with a tie of 29 were Janice and Jane, and third at 31 was Helen.

May 15. Summer shootout with the 18-holers. Three Niners played in the shootout – Ruth, Pat O and Helen, and Helen made it to the eighth hole. Congratulations to Helen.

May 19. Only 9 of us left in residence today, so we had three "threesomes" competing in a shamble. First place went to the team of Joanne, Helen, and Janice with a 31, second to Jane, Pat O, and Shirley with 35, and third were Brenda, Ruth, and Veronica with 39. If you saw different scores, the ProShop applied handicaps but the outcome was not changed. (If you want to know about handicaps, look at my score on May 12, I really didn't get a 25 for 9 holes but it's more impressive than my real score, which I fortunately cannot remember!)

May 26. We did a Drop Out Scramble with 3-person teams for a total of 6 golfers. This is just to let you know that Pat's team, Brenda, Joanne and Pat, came in second, right behind the winners of Helen, Ruth and Shirley.

June 2. Well, we played the 1 club and a putter Scramble again. There were 10 of us and you would be surprised at how effective a putter can be in a pinch and how dangerous a 3-wood is for a chip. The winning team in the game was Helen, Ruth, Brenda and Pat O with a score of 31. But the after game of chance, to draw a card that represented the hole numbers between 1 and 9, that would let each team deduct that hole's score from the team's total, Team Captains each drew a card allowing Shirley, Barb and Joanne to cancel their second hole score of 5, taking them into the winner's circle which actually paid off each team member with \$2. The third team, Gina, Janice and Veronica, were also allowed to deduct 5 from their 9th hole score, but they could not beat Shirley's team. Helen drew a Joker which meant no score could be deducted from my team. BTW, Helen also had 2 birdies today (recognizing the person who had all of the best shots on each hole to get her own birdie!)

Hope your summer is/was going well.

P.L.G.A. MEMORIAL DAY GOLF OUTING

By Barbara Willis

On May 29th we held our annual golf tournament honoring the brave men and women who died, that we may live free. The weather was excellent, and for as late in the year as this was we had a great turn out. We played a "dual" game, again. The front nine was a shamble called "Red, White & Blue". We scored 3 balls on Red, 2 balls on White, 1 ball on Blue with a 50% handicap. On the back, we played a "Step a side Scramble" which means no one can hit a back-to-back shot all the way thru the green. Also, a little extra fun on 18 green.

There was a tie for first place with a 75: Joe Demkowicz, Bev Bynum, Randy Califf, Angie Teresky and Mike Gloss, Shirley Kubie, Charlie Wakefield, Elaine Knell. Third with a score of 76: Bill Strueve, Carol Listermann, Charlie & Donna Schneider. Fourth place at 77: Mike & Marilyn Hayes, Ray & Joyce Reetz. Fifth place at 80: Sherman & Connie Riedlinger, Richard & Brenda Loubier.

A "true" holiday lunch was served up by Brian and his staff, with a surprise dessert, Strawberry Shortcake. A BIG Thank You to Brian and his staff, to Bill, our Pro, for all his work putting things together. Congrats to the winners And a Special Thanks for all who played making this a fun day.

GOLDEN OLDIES GOLF

By Betty White

Golden Oldies are still meeting, alternating between Pine Lakes and Lake Fairways for play.

The Summer months are upon us and we are playing in the heat. Our numbers have diminished some due to the snowbird exodus. We still have between three and four teams of four each week playing a scramble. Since Linda took a small sabbatical to be with her daughter, we have been just playing for fun and camaraderie without prize money involved. There is always room for new players.

Anyone interested in joining the group would need to contact Linda Green at 239-224-2564.

TEE TIME

Ladies 18 Hole Golf League

By Joann Cline

“August in Florida is God’s way of reminding us who’s in charge.” Blaize Clement

The summer heat, humidity, and rain has moved in, and our number of participants have dwindled, but our die-hard lady golfers continue to show up on Wednesdays for league play and on specified Saturdays for the Summer Fun Shoot-Outs.

Thank you to league president, Donna Schneider, for keeping the faith and making sure everything is organized and on time.

Thanks, also, to Barb Willis and Linda Wakefield for their hard work in setting up the Memorial Day Tournament (see cover photo). Red, white, and blue was not only highly visible in the participants’ attire but also in the game we played. A fun time, including the game, the food, and the prize money. As always, thank you to Director of Golf, Bill Chapman, for his help, and to Brian and the Pub staff for another great lunch.

PLEASE SEND THOSE PHOTOS DIRECT TO ME at cindyahrens@netzero.net so I can add to the Whispering Pines photo file to fill our color covers. There may not be space for all photos, but I will pull from that file as needed to include on our covers in color. THANKS TO YOU ALL!

REMINDER TO ALL WHISPERING PINES READERS

Copies of Whispering Pines are not mailed to absent residents by the Editor or by the printer. There are three options for any member to read each issue to keep up on activities when not at Pine Lakes:

- 1) Each issue of Whispering Pines is downloaded on the Pine Lakes web page www.ourpinelakes.com and can be read in full color online.
- 2) With no computer access:
 - a) ask a family member to print a black & white paper copy, or
 - b) ask a close Pine Lakes neighbor to request an additional copy of Whispering Pines to mail to you (don't forget to pay your neighbor for the supply of 9x12" envelopes along with estimated \$2.20 postage per issue).

Happy reading no matter where you are!

ATTENTION CUL-DE-SAC AND COURT CAPTAINS
