March Liaison Meeting

By Judy Hale

The March liaison meeting was held March 10, 2016 in the Living Room

The unreadable street signs are in the process of being redone. The sidewalk along Pine Lakes Blvd is being powerwashed. Pine Straw has been ordered for the entrances to the cul-de-sacs at the rear of the community. Ground crews are being scheduled to clean up these areas. Ameripride is still hit and miss on doing some jobs, but overall the service has improved. They are definitely not doing an A-1 job yet.

Residents parking on the back clubhouse patios while playing cards were sent letters since this is in violation of the fire marshal's rules. If the practice continues, it was suggested that the card games be stopped until the rules are followed.

Two new treadmills and an elliptical machine will be purchased for the exercise room as soon as the funds are released. A blind is still missing in the card room. Management was asked to raise the temperature in the card room. The only phone number working for the reception desk is 731-5565.

Plans are to strip, wash, and buff the ballroom floor after the last summer show in August. The carpet in the satellite rooms will be cleaned at the same time.

A smoking area has been set at the pool. Signs will be posted on the pool gates asking smokers to use this area.

The security cameras at the gate are beyond repair. Funds for new cameras will be requested in the 2017 budget.

The liaison meetings are held the second Thursday of every month and continue through the summer months. Residents are asked to talk to their respective board members if they would like to see issues addressed at this meeting.

Pine Lakes Unique Terminology Explained WHAT?

By Maura Alexander, Pine Lakes FMO Representative

When I speak at Saturday morning coffee, do you know what I'm talking about? When I write for Whispering Pines, do you know what I'm talking about? Some people even say after I've told them something I clearly understand that they don't know what I'm talking about! I hope to rectify that situation right now with some of the unique FMO terminology that I'm guilty of using.

FMO: These letters stand for "Federation of Manufactured Home Owners of Florida, Inc. This is a very important organization that all of Pine Lakes residents should belong to. The annual membership is only \$25 and definitely a necessary organization for manufactured home owners. FMO is our watchdog at the Florida legislature alerting us to bills that keep our lifestyle safe and those bills that we want our legislators to prevent passing.

District 7: FMO is divided into 17 Districts within the state of Florida. Pine Lakes is in District 7 which encompasses Charlotte, Lee, Collier, and Hendry counties.

Back Bulletin Board: This is the bulletin board closest to and across from the exercise room. There is a section called "FMO Happening" where all the latest news is updated.

FMO Lottery: At the beginning of January, February, and March, Florida Lottery tickets are purchased for FMO members. One ticket is purchased for the entire Pine Lakes' FMO membership and one ticket is purchased for the gold, silver, and bronze courts. If the winnings are large enough, they will be shared with whichever group won. If it is not feasible to share the winnings, the FMO representative in Pine Lakes will save or spend the winnings as she deems necessary. These rules can be changed by the Pine Lakes FMO representative (guess who that is).

Gold, or Silver, or Bronze hearts, or shamrocks, or stars: Those Courts that have the highest percentage of FMO members receive these symbols for their membership achievement, and their names are posted each month on the "FMO Members" sheet on the back bulletin board. Do you remember where I told you that back bulletin is located?

The Golden Alligator Award: The one court, in January or February, or March, which has the highest percentage of FMO members in all of Pine Lakes, receives a Golden Alligator which is tied to their court sign post in February, March, and April. Don't call PETA as the Golden Alligator is wooden!

Membership Contests: FMO sponsors membership contests for all FMOs in the state of FL. In 2015, Pine Lakes won second place in the statewide contest

This year, from March 1, 2016 to May 31, 2016, any FMO member who signs up five new members will receive \$25 or a one-year FMO membership for every five new members. Let's try it and call it "Pine Lakes FMO March/April Madness."

FFFF-MO: FFFF-MO is the mailbox alligator that sits on my front porch and waits for your filled out FMO membership applications and a \$25 check. FFFF-MO does get hungry and becomes very lonely when no one feeds him, so please step up to my porch and feed this poor, loving creature so he stays loving and not poor.

FMO Members paper: The sheet shows the membership percentages of every court in Pine Lakes. There are markings for the top three courts on estate land and also the top membership courts on leased land. The FMO Members page is posted on the back bulletin board every month. You do know where that is, don't you?

FMO Decals: These are round blue and white FMO decals. They adhere to windows by just rubbing on, no sticky stuff. You can place them on your house window or on your golf cart window. All FMO members should have one, but if you don't, just give me a call, and I'll deliver one to you. We want to brighten up Pine Lakes with these decals the way they brighten up and protect our wonderful lifestyle. Showing your decal tells everyone you are helping to keep us all secure.

Now that we all understand the FMO Pine Lakes unique language here are some FMO updates: The 2016 three-month lottery netted us \$0,000,000.00 each. This is the exact same amount of winnings in our 2015 Pine Lakes lottery. Surely we will have better luck in 2017!

YOUR WP STAFF NEEDS A LITTLE HELP

First, we really appreciate the contributions made by our "correspondents" and can tell by the comments that our readers enjoy them. Just one little reminder.....if you type your article and send it to whisperingpines2014@centurylink.net, it would really help if you would put a copy in the folder at the reception desk in the lobby of the clubhouse. You might put a little notation on it, "Emailed to Troiano." This serves as a "failsafe" so that our editor will know that we already have the article, and it does not need to be passed on to our word processor. Also, when he proofs the publication, he can notify the layout team if they have missed something.

For the month of February, golden shamrocks were awarded to Bardmoor Court and Gator Creek Court for the highest FMO percentage memberships; silver shamrocks were won by Frenchman's Court and Grand Cypress Court, next to highest FMO percentage memberships; and bronze shamrocks are growing on Turnberry Court and Sun Air Court for the third highest FMO member percentages in Pine Lakes. Kudos to all these winners!

The "Golden Alligator Award" was seized once again by Gator Creek Court Go Gators! Bob Rottman crafted a second golden FMO alligator for Gator Creek Court, and Will Brown gently pounded it into to ground and secured it to the Gator Creek sign post. Please keep those memberships coming from other courts as there is just no room for another golden alligator at Gator Creek. Now is the time for all good Pine Lakes residents to enter the FMO contest and obtain five new FMO members on other courts.

FFFF-MO is getting really hungry. In February he/she was fed 15 times! In March, as of this writing (March 19, 2016), FFFF-MO has only been fed four times. FFFF-MO feels as if he/she is on Weight Watchers and doesn't like that at all. He is now so hungry he seems to gravitate towards small dogs, but I watch him very carefully.

Pine Lakes is hosting the **April 8, 2016 FMO monthly meeting for District 7** in our ballroom at 1 p.m. This is a grand time to show off our community and all our handsome/beautiful residents. All residents of PL are welcome to attend this meeting; you do not need to be an FMO member (but, you could join up before the meeting by calling Maura Alexander or you can join at the meeting, but not to worry you will not be "carded" at the door). As gracious hosts, we want to treat our guests from Charlotte, Lee, Collier, and Hendry Counties as very special company. To do this, we need many delicious cookies, etc. made by our residents and brought to the ballroom around noon on Friday, April 8 I'll be waiting for you!

News from Beautification

By Olivia Mastrobuoni

April brings us to the end of the 2015-16 season here at Pine Lakes. At the start of the season, our committee set a goal to finish purchasing pool chairs needed to replace the chairs under the Tiki huts at the pool. The amount needed was 50 chairs at a cost of approximate \$91 per chair. We started a "Chair Fund" and asked all the committees and clubs to contribute and help us in this endeavor. We are very happy to report that the cooperation and support we received from the following organizations was amazing: ELS, the Men's Club, Beautification, Women's Club, Water Aerobics Class, Tennis, Bocce, Theater, Golf Association, and Nifty Niners. In addition, Tennis Association also bought four new tables for the large Tiki hut. The chairs will be ordered shortly. Beautification thanks all who contributed. We also painted, decorated, and refreshed the pool Tiki kitchen and look forward to hosting "Friday Night Live" at the pool and hope that the weather cooperates. We hope that this event becomes a successful alternative to going out of the community and having to face the crowds and traffic.

Our end of the season "Margaritaville Dance" is on Saturday April 2, 2016, and we hope it will be a crazy fun-filled event. Three of our terrific real estate agents, Sharon Taylor, Fran Cook and Chloe Boucher donated \$50 gift cards that will be raffled off as prizes for this our last fundraiser of the season.

We are also planning some projects for our full-time residents during this coming off season, and we hope to see you all there; more details to follow. Thank you for supporting The Beautification Committee in our efforts to keeping Pine Lakes a great place to live.

How to get rid of unwanted Prescription Drugs

By Tom Minahan

I recently spoke with the Lee County Sheriff Department Public Service Officer about how we can get rid of prescriptions that we no longer need and have a safe environment to place them.

They indicated that at their satellite substation on Pondella road between US 41 and business 41, they have a locked container you can put them in, and they will dispose of them in a safe manner. They said you should not put them in the trash, or flush them down the toilets, as the water goes to a treatment plant to be processed. Black out your name and prescriptions numbers and also the doctor's name on the label.

It is time to say goodbye

By Barbara hood

I have lived here in Pine Lakes for the past eleven years. I have had a wonderful time during this time. I made many new friends and certainly was active. It is time now for me to start the next chapter of my life. I apologize for not being able to say goodbye to many of you. The house went on sale and the first people who came to look at it bought it. They wanted it by the end of March and it was already the middle of February. I have been really busy trying to get everything done since then.

I am taking away wonderful memories. I won't forget any of you. Please try and not forget me too soon.

Love, Barbara

"Should You Change Your Investment Mix Over Time?"

As an investor, you need an asset allocation – a mix of investments – that's appropriate for your needs. Asset allocation can't ensure a profit or guarantee protection against loss, but by owning a variety of investments, you can reduce the impact of market volatility. But when should you change your investment mix?

When you're young, you may want to tilt your asset allocation more heavily toward stocks and stock-based investments. You need the growth potential, and you have decades to potentially overcome short-term downturns.

A few years before you retire, you might want to lower your overall risk level by somewhat reducing your exposure to stocks. With retirement looming, you don't have much time to bounce back from downturns.

Finally, when you retire, you'll want to adjust your asset allocation to include enough income-producing investments to help you enjoy the retirement lifestyle you've envisioned. Yet, you still need enough stocks and other growth investments to help you avoid losing purchasing power during your retirement years.

By making timely adjustments to your asset allocation, you can give yourself the opportunities for growth and income that you will need throughout your life.

Louis Eugene Cole

The ashes of MCPO Louis Cole will be interred at Arlington National Cemetery with full military honors on June 17, 2016 at 3:00 p.m.

Louis Eugene Cole went home to be with the Lord on Saturday October 12, 2013, after living a full and happy life. Louis was born in Roanoke, Virginia where he met his wife, Joyce, while in Junior High School. He attended Jefferson High School before enlisting in the U.S. Navy. He rose to the rank of Master Chief before retiring with a career spanning 23 years. He was a veteran of the Korean and Viet Nam wars. After retiring from the Navy, Louis resided in Waukegan, Illinois where he was plant manager of Chicago Boiler Company. After retiring from Chicago Boiler, Louis and Joyce moved back to their childhood home of Roanoke, Virginia where they resided for many years before moving to North Fort Myers, Florida where the climate suited their lifestyle better. Louis loved to be out in the warm weather where he enjoyed golf and lounging by the pool. But his most favorite times were when his family was all gathered together.

His wife, Joyce, continues to reside in Pine Lakes.

Understanding Social Security

By Dennis McCarthy—Cul-de-sac 17E

Over the last thirty years, government bureaucrats have quietly made a series of small, complex and highly technical changes to the way the "**COLA**" is calculated. By changing the calculation method, they **lowered** the "COLA" in a manner that hardly anyone would notice but which, over time, has slashed Social Security benefits by **billions** of dollars.

This cut is now having a **truly devastating** effect on tens of millions of Social Security recipients. Hundreds of thousands are being pushed below the poverty line. Others, already living in poverty, are having to choose between food and prescriptions or heat and rent.

Imagine the **human cost**: People have to cut back on prescriptions and take half a tablet instead of a whole one. As a result, their health suffers. They economize at the grocery store and the result is a low-cost, high-starch diet of foods like potatoes and bread that lacks the fruit, vegetables or protein we need to stay healthy.

Finally, Congress will consider reform legislation that is now sitting before the House and Senate. (Note: In

the last six years, Social Security recipients have **not** had a COLA in three of those years. And, it's only going to get worse going forward, without changes). The reform legislation being considered by congress right now will:

- ◆ First: Increase monthly Social Security checks (approximately up to \$70);
- ◆ Second: It improves the way the annual Social Security "COLA" is calculated so it **more accurately** reflects the rising cost of living;
- ◆ Third: It **closes** a **loophole** that allows millionaires and very wealthy individuals to pay Social Security on only a small part of their income; and
- ◆ Lastly: By closing this loophole it puts Social Security "In the Black."

What can you do to help move the reform legislation forward? It's easy. Write to Senators Nelson and Rubio and Representative Clawson. Ask them to **move legislation forward!**

Wow! It has happened. Two \$250 winners within two weeks. On February 24, 2016 Irene Gaetania won \$250 on the progressive jackpot with 61 numbers. She lives on Frenchman's Court, 27L. On March 2, 2016 Eileen Wrede, who lives at 52A, Sugar Mill Court, won \$250 on the progressive jackpot with 52 numbers. Just goes to show you, it can be done. We always start with 51 numbers and add a number every week, which is great. We have given out over \$25,000 so far this year. Our last Bingo night will be April 27 so there's plenty of time to come out and win some money. We have some special events planned for April.

Pine Lakes Theatre is Fun!

By, Michele Nauyokas

Yes, that's right...theatre is fun! Those of us involved with theatre know three things: there's lots of work to do in a short amount of time, everybody has fun, and everyone has memories that last a lifetime.

Theatre people know another fact: we can always use more people to help us with theatre. The wonder of theatre is that there is something for everyone. We need people to act on stage, work backstage during the shows, organize props, build sets, paint sets, find furniture, create and shop for costumes, do hair and makeup, run lights and sound, find music. . . to name just a few things that apply to the actual production of the play. We also need people to sell tickets, plan the publicity, create the program, organize greeters to seat people at the show, write articles for the Whispering Pines and organize cast parties.

People that are involved with theatre ... no matter what their job ... know that we must all work together so that "The Show Must Go On!" Remember, no experience is necessary. All you need is a desire to have fun and a willingness to create new memories.

Next October, we will have our annual kick-off potluck dinner. We encourage everyone that has ever thought, "I wonder if I'd like to do something with theatre?" to come, meet us, talk to us, and give theatre a try. We promise you that once the "theatre bug" has bitten, you'll be off on a ride you'll never forget!

UPDATE: Ft. Lauderdale Christmas Trip

By Donna Morris

As of today, May 16, both buses for the December 4 trip are full. However, by the time that you receive this Whispering Pines, things can change. Therefore, I am now taking names on a waiting list. In past years, this has worked out very well for everyone.

If you have made a reservation and are planning to leave for the summer, I would appreciate having your payment before you leave or by April 30. Some deposits have had to be paid already. I cannot make any changes to my ticket order after August 1 with full payment due by August 15. You have always been great with payment, and I do sincerely thank you for that. Any questions, please call me at 543-1604.

Thank you for planning to join us for this remarkable production.

David Morin Is "Elvis" April 30

Donna Morris

David Morin and his Always TCB Band entertained us here last April with his Legends' Show which included his Elvis program. Many in the audience that night asked that we bring him back for his complete Elvis Show. . . and so we booked him again.

David's fascination with Elvis began at an early age. He was trained in the voice, style, and gyrations of Elvis and has won many awards as one of the best impersonators. His show is very entertaining and tends to bring back memories of where we were or what we were doing when we first heard the music of Elvis.

Tickets available at Saturday coffees or call Donna Morris at 543-1604.

- * SHOW: 7:00 P.M.
- * DOORS OPEN: 6:30 P.M.
- * TICKETS \$15.00
- * BYOB/SNACKS
- * NO SET-UPS PROVIDED

Since there will not be a Whispering Pines in May and

June, here is our Summer Schedule of shows:

JUNE 18 Dinner Show featuring "Wall Street." This is a group of four who will provide us with a variety show full of music and comedy. These three men and a lady have a wealth of experience both as single artists or together. Watch for upcoming flyers for more details and menu. The price will be \$17.50 each. Beginning May 14, tickets will be available each Saturday in the Clubhouse Lobby from 9-11 or by calling Donna at 543-1604.

AUGUST 13 Variety Show with the "Sugar Bear Band."

We wish safe travels to our friends headed out for the summer, and for those of you staying, we hope to SEE YOU at the shows. Thank you for your continuing support.

Results of the Entertainment Committee's Questionnaire

At the February show featuring the La Diva Tensors, the entertainment committee asked those attending to help them choose future entertainment by completing a questionnaire. We asked the residents to mark the type of entertainment they would like to see on the stage in our ballroom. One hundred and fifty people completed the questionnaire. Under the Other category we had some suggestions that included pole dancers and a nude male review. While these groups may be fun to audition, the committee felt that Pine Lakes is not quite ready for Sexy Remy's Male Review.

Of those who completed the questionnaire, 71% wanted comedy shows, 59% music from Broadway and films, 55% 50s rock and roll, 54% country and western, and 49% bring back the 60s. Most of the other categories scored between 25% and 39%. At the bottom of the list was Folk Music with less than 1% asking for this type of entertainment.

Thanks to all who took the time to help us. I think we have a great season planned for next year. Between the Men's Club shows and the Entertainment Committee shows, I think you are going to see what you want.

Pine Lakes Chorus

Jeannine Gorman

On March 18 and 19, the sounds of Movie Magic treated a most appreciative Pine Lakes audience to memorable cinematic songs from the past 60 years. From the opening *Hooray for Hollywood* to the Disney Finale, singers and listeners alike were transported to the streets of London via a *My Fair Lady* medley, to the Berlin Kit Kat Klub of *Cabaret*, to New York's Fifth Avenue by a *Couple of Swells* in the *Easter Parade*, to a frozen mountaintop on *The Polar Express*, to the hills of Austria in *The Sound of Music*, to *Summertime in Catfish Row*. One gal just couldn't say no, while another washed that man right outa her hair!

And what a treat to view some of our favorite stars and scenes on the fabulous screens mounted in the corners of the ballroom. Thanks to Stu Paterson, sound and video technician par excellence, and his assistant Cass Klapek, the audience saw film clips of every movie represented. We smiled at Bing Crosby, sighed at seeing the beautiful Audrey Hepburn, and toe-

tapped as Davy Crockett, the Siamese Cat, Uncle Remus, and Mickey himself appeared on the screens.

Stu spent hours preparing the visuals! Thanks, too, to Bob Konetzky who got it all "on tape." Lights! Thanks to a new lighting system, David Sharp and Ron Slack were able to give the chorus the very best illumination Colors danced across the stage during *Some-where Over the Rainbow*, sung by The Dreamers. The spotlight centered on soloists without blinding them! The last row of singers, on the highest riser, no longer had to complain about roasting We're now computerized!

Finally, but certainly not last, kudos to Darlene Topp, our most talented director, who succeeded in turning 34 eager singers of all abilities into a cohesive, harmonic, blended vocal group who are as one in their love of music and performance Accompanied by Sue Halverson, an absolutely extraordinary accompanist, without whom the show cannot go on, the Pine Lakes Spring Show of 2016 will go down as one of the best.

A THANKS to John McCann and Friends

By Len Gorman

The Veterans Association would like to send a very special thanks to John McCann for placing a picture of our monument on the cover of the 2015 Pine Lakes Phone Directory. For a whole year, residents were reminded of the efforts of so many people to create such a beautiful memorial in honor of Pine Lakes veterans, their families and friends One recent evening, while we were standing at the memorial, John shared with me a wonderful story. In the late 1990s, when Pine Lakes was thinking of placing a water fountain in the circle, he and a committee of residents were instrumental in erecting that beautiful tiered cascading water fountain in its present location. John remembers literally carrying the heavy fountain to its site in front of the clubhouse

Little did John and the committee know then that the fountain would eventually become an integral part of the Veterans Memorial, erected in 2014. It's so true that sometimes what is accomplished for one purpose ultimately serves to complement another purpose years later!

We have so many people here at Pine

Lakes who do good things for the community. John's story reminded me that every contribution is worthwhile and, in fact, may have a long lasting impact on our quality of life So, thank you to John McCann and all those who had the vision to beautify our circle back in the 90s. That vision ultimately served to enhance our present Veterans Memorial site.

The annual Pine Lakes Canada Day Golf Tournament was held on the 13th March 2016. In attendance were 92 golfers with a total of 110 persons who enjoyed an excellent dinner catered by the Pine Lakes Pub. The prize table was very impressive with awards being presented

to the top golfers in their respective categories; Low Gross (1st and 2nd), men's and ladies Closest to Pin, Longest Drive, Most Honest Golfers and Most Water Balls. All golfing participants received individual prizes as well.

Hole number Ten was one of the holes identified as the "Ladies Closest to the Pin," and we were pleased to present the winner, Peggy Stender, with not only the winning prize; as well she struck the ball for an "ACE"; congratulations to Peggy.

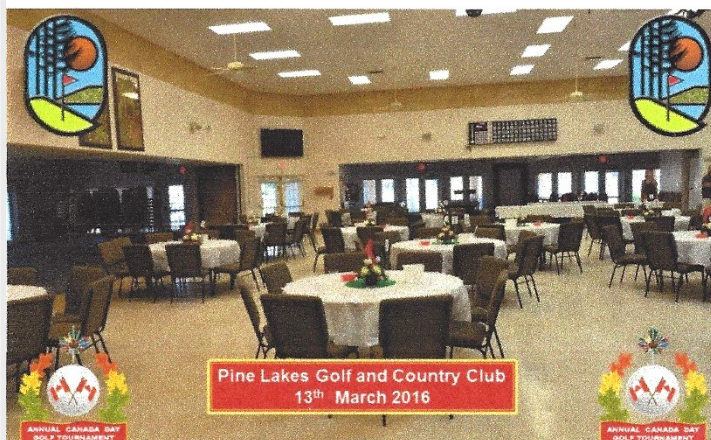

We wish to extend our gratitude and thanks to the golfing participants, and those who attended the awards dinner. We would be remiss not to thank the dedicated, committed volunteers who made this annual golf tournament another very successful event.

Special thanks to supporters who provided gift certificates, prizes or services:

The beautification committee is short of their goal for pool chairs. Barb Brown made the motion, and it was seconded by Trudy Minahan to give them the short-fall for the chairs. The motion was passed.

Under New Business, Pat Rotthoff presented the slate of officers for the 2016-17 year: President, Judy DeLonge; Vice President, Pat Dieringer; Secretary, Lori Downey; Treasurer Sue O'Donnell and Corresponding Secretary, Brenda Loubier. Bocce News

By Shelby Greene

Well, the season is over and it was a strange one. Four teams had to be moved around due to four people going north due to illness.

We tried the new scoring system with roll-offs at end of season. We had three teams tied with one loss each so we had a roll-off which worked well.

First place went to Bill Barrett and Judie Greene, second place to Dick White and Jean Rourke, and third place to Elliot Doliner and Karen Heddleson. Congratulations to them all.

There were lots of good battles throughout the season. Fall sign up is October 5 at 9:00 a.m.

Winter 2016 champs: L/R -- 3rd, Elliot Doliner & Karen Heddleson; 2nd, Dick White & Jean Rourke (not pictured); 1st Judie Greene & Bill Barrett (not pictured).

Tennis Racquets By Len Gorman

As our tennis season comes to a close, it's a perfect time to reflect on activities that have taken place during March.

A beautiful mass was offered at St. Therese for Bob Seiy, a very special Red Team player and professional tennis star from Hungary. Many friends from far and near gathered to honor Bob. Maria planned an inspirational day to celebrate Bob's love of the game and to honor the influence he had on so many tennis players over the years, both in Hungary and here at Pine Lakes. Following the service, an intimate luncheon was held in the ball-room. Everyone was so touched by those who witnessed Bob's courageous emigration from Hungary, his dedication to the game of tennis, his abiding friendship to so many over the years, and his deep love for Maria and his family.

During the afternoon, all were invited to attend a tennis exhibition held on our courts by five of Bob's closest friends, who played championship tennis with him over the years, played a superb match as their tribute to their dear departed partner and pal, along with our own

Ruth Sarno, June Davis, Annette Harp, and Admiralty player Sandra Crozier.

Later in the month, a well-attended luau pool party was hosted by Jill Brush, with Terry Brush & Jim Todd behind the bar. Everyone had a great time. Thanks to Linda Smith for providing a variety of music for dancing. Stu Paterson, Ron Garcia and Frankie Farina were spectacularly dressed and excited all the men in attendance with their sexy moves, inflated busts, and multiple curves. The Hawaiian buffet was scrumptious. The recently held Spring Fling results are as follows:

Men's Doubles

Terry Brush and Jim Todd
John Shaw and Bill Roberts

Ladies Doubles

Kathy Paterson and Dorinka Kamensek
Linda Neff and Linda Houston

Mixed Doubles

Jerry Blasena and Kathy Paterson
Bob Hayter and Linda Hayter

Elections and the annual dinner-dance, will round out this year's Tennis Association activities. New teams have been formed and captains chosen.

Members of the PL Tennis Assn. honoring Bob Seiy while watching a men's doubles and mixed doubles demonstration involving PL women, and Florida Senior Champion men.

Long-term friends of Bob Seiy, Florida Senior Men's Champions, honored Bob with a tennis demonstration match on the day of Bob's Memorial.

IT'S BEEN A BUSY MONTH on the course with the eliminations leading up to the Club and Interclub Championships The Nifty Niners Top Two, Shirley Kubie and Nancy Hurley, showed their perseverance and determination on February 26 and 27 The weather was chilly on Friday (they both had good drives, good pitches and great putts) but, on Saturday, the weather was downright cold and breezy and probably contributed to a challenging round for both They were tied on the 9th and went to #1 to finish the round Shirley tipped it in her favor with a tee shot to the green. Now on to the Interclub rounds on March 11 and 12 Lake Fairways was represented by Doris Grimard and Lynn Suhr It was a fun two days to follow (modified alternate shot on Friday and better ball on Saturday) because the "AS" came up on the score card so often Yes, the competition ended with the teams splitting the point.

Hats off to all the volunteers in the green and red shirts for their work in making these events happen

Debbie Hamilton recognized the PL winners and runners-up at the Golf Association meeting and then asked the individual volunteers to come forward By the time she invited the players and supporters to stand everyone was standing Guess that is called teamwork.

Regular Play

March 9: Sixteen Niners played their own game, but the winners were determined by 1BB on #1, 2BB on #2, 3BB on #3, 4BB on #4 and then repeated Two teams tied with 64s They were the Yedinak, Loubier, Dieringer team and the Kubie, Hurley, Gluck team Coming in second with 66 was another tie between the Marenda, McCarthy, Monks and Hourihan, Heft, Glasson teams.

March 16: A little strategy was used in the game of "Hate 'Em" for choosing the two holes to exclude from your score The Yedinak, Marenda, Loubier, Gluck team did it best with a score of 95 followed by the Wurst, McCarthy, Hourihan, Dieringer team with a 98

PLGA Club Championship By: Ronda Owens

It was a cold and windy start to the 2016 Club Championship on Feb. 26th and 27th, but the golfers and volunteers braved the elements to play in the two-day event to determine who the champion of each flight would be. The results are:

FLIGHT	CHAMPION	RUNNER-UP
CH	Gary Hull Darlene Topp	Don LaCroix Debbie Hamilton
A	John Dieringer Judy Emmons	Charlie Schneider Carolyn Copley
B	Frank Guenthner Donna Schneider	Bob Wurst Carol Listermann
C	Richard Stock Helen Machado	Dick Jung Joyce Reetz
D	John Trotto Angie Teresky	Joe Kennedy Louise Ittner (Sub for IC was Barb Willis)
E	Dareld Schick	Bill Klamer
FT	Roger Hoffman	John McCann
NN	Shirley Kubie	Nancy Hurley

Congratulations to all the winners, and a big THANK YOU to the village of volunteers who made it possible and to Julie Flake and ELS for their generous monetary donation without which the tournament would not be possible.

The Interclub Championship between Pine Lakes and Lake Fairways took place on March 11th and 12th. At least the weather was beautiful. Lake Fairways was the winner of the trophy ... again. Maybe next year it will be Pine Lakes' turn.

Tee Time

The month of February was very busy here in Pine Lakes while preparations for the Club Championship were in full swing. February 23rd, 24th and 25th were contests with lots of participation which added to the festivities.

The Club Championship was on February 26th and 27th, where high winds and low temps were definitely a factor. BUT the show must go on and that it did, with many thanks to all the participants and volunteers for their hard work, making it a huge success. And lets not forget to thank the person who put this whole tournament together. With much appreciation, we say thank you Debbie Hamilton for your hard work and dedication. A standup job as always!!

Our Spring Luncheon for the Ladies 18 Hole League was held on March 17th at Magnolia Landing,

hosted by Maureen Wetzel and Marie Nye. As always, we enjoyed good food and conversation, followed by brownies and ice cream with a touch of green for St. Paddys Day.

There were raffles for parking spots by the Pro shop and the money will go to the Wake Up America Fund.

Ronda Owens gave out money and awards for eagles, birdies, and most improved golfer which was none other than Cindi Parks. Congrats Cindi, and a special thank you to Maureen and Marie for another fun day. Aren't we lucky to live here in Pine Lakes!!!

Don't forget to check the article by Ronda Owens for the winners of the Club Championship

Nancy - Lake Fairways on her Replacement

"We were so impressed with our replacement in a timely, professional manner. There was a small leak in the new unit. They went the extra mile and went for a new unit and worked longer hours to finish the job on the same day. It was a very hot day for all the workers, but they finished with a cheerful demeanor. We were impressed."

Toni - Heritage on her Service

We have many potential renters and need clean, well-cared-for homes. All rental homes we manage must meet our high standards.

If you are considering renting your home for 2016 or for the 2016-2017 seasonal period, please contact us.

- ◆ We assist the renter in obtaining resort approval for occupancy.
- ◆ We collect the required county and state occupancy taxes from the renter and file those taxes with the appropriate agencies.
- ◆ We collect the rent and security deposit from the renter.
- ◆ We advise home owners as to required items and services (coffee pots, dishes, linens, Internet connection, basic TV cable or satellite service, etc.).
- ◆ The renter pays for maid service upon leaving and we coordinate that service.
- ◆ We draw up the rental contract and obtain necessary signatures.
- ◆ We personally meet your renters upon arrival and provide them with welcome gifts and information.
- ◆ We advertise your rentals at no additional charge to you.

Our fee is the standard 14% for stays under 6 months and one-month's rent for annual rentals. Seasonal rentals usually bring \$2,200 and up and annual rentals usually rent for \$1,100 and up, depending on the size and location of the home.
